

Official Parking Map of The Meadows

Residents are allotted two (2) parking spaces only and may have no more than two (2) vehicles on the premises, which must be parked in their designated spots as indicated by house number on this map and marked on the stalls themselves.

Visitor spots are those that have not been numbered. All visitors must park in non-numbered spots. Residents with extended visitors must notify the HOA of the dates and vehicle info (make, model, license plate number) via the website at www.rexburgmeadowshoa.com to avoid being booted and/or towed.

Violators of these parking regulations are subject to booting and/or towing by All American Towing of Rexburg.

Current as of June 2012.

US Highway 20
